Dear Father Thorning:

Enclosed is a copy of my address of last Friday
to the American Legion's National Security Commission,
which you asked for in your letter of 25 August 1959.

Thank you for your interest in it, and also for
your thoughtfulness in telling me about your recent
article in the NEW YORK TIMES. I recall with
pleasure having met you on an earlier occasion.

Sincerely,

Signed C. P. Cabell
